

Office Paper Recycling

*Reduce your company's environmental impact
and reduce costs with Unlimited Recycling!*

Virtually all commercial, industrial and institutional facilities generate waste office paper as a result of their operations. Recycling office paper is an effective way to minimize the environmental impact of your wastes, communicate responsibility to your community and reduce your costs of operations.

Unlimited Recycling can provide you with our convenient and effective **Office Paper Recycling Program**. This program covers all colors and grades of paper generated by your offices, promotional departments, production areas and printing operations.

Features & Benefits:

- **All colors and grades of paper are acceptable** (even newspapers, magazines, paper clips, staples, tape, rubber bands and window envelopes).
- Convenient recycling containers and colorful educational materials provided at **no charge**.
- Timely, professional pickup service to help keep your facility clean.
- Recycling minimizes environmental impact, communicates corporate responsibility and reduces waste disposal costs.
- Revenue paid based on actual published market value.
- Complete training and educational materials for management, housekeeping and employees minimizes your headaches implementing and maintaining program provided at **no charge**.
- Ongoing program management assures employee participation and accurate data management.

Unlimited Recycling, Inc. is a minority woman-owned small business enterprise founded in 1999 by Maria A. Marin and is MDOT, MBE, DBE and WOB certified.
