

Document Shredding

Save time and peace of mind with onsite destruction of your documents!

Secured destruction of records has become an unavoidable necessity for today's business world. Whether your organization is handling information for the private sector or is producing proprietary information about your company's operations and/or products, this information could prove devastating if exposed.

Unlimited Recycling, Inc. can provide your company with our aggressive, proactive **Document Destruction Program** to include the pickup, destruction and recycling of all paper documents, film, fiche, credit cards, hard drives and other media generated or stored at your facility.

Features & Benefits:

- Onsite automated destruction of all paper documents and materials.
- State-of-the-art shredding vehicles maximize security and savings.
- Recycling of materials after destruction satisfies any regulatory, environmental and/or community needs for recycling and reduces disposal costs.
- Documentation provided to certify recycling and destruction.
- Locking Document Security Consoles and 90-Gallon Carts provided for central collection of documents simplifies collection.
- Bonded drivers collect documents from Consoles and Carts off dock or from inside offices eliminates need for housekeeping labor.
- Deskside trays provided for convenient use by office workers.

Unlimited Recycling, Inc. is a minority woman-owned small business enterprise founded in 1999 by Maria A. Marin and is MDOT, MBE, DBE and WOB certified. As a contractor for many leading governmental, industrial, institutional and commercial facilities, we have received excellent performance ratings. We can do the same for you!

- Single source solution for the recycling of paper, plastic, organics, metal, wood, electronics, fluorescent bulbs & universal wastes, destruction of confidential materials and the sanitary disposal of wastes.
- Unmatched service capabilities including Roll-Off, Front Load, Semi-Tractor, Box Truck and Onsite Shredding.
- Complete Employee Training and Program Management that handles all phases of launching and managing your program.
